EXECUTIVE SUMMARY

FINAL

Federally-Enforceable permit No. F-06-008 Revision 2

AMAK BRAKE, L.L.C

GLASGOW, KENTUCKY

June 17, 2008

RITA ARGUELLO

AFS Plant I.D. 21-009-00067

AI# 15685, APE# 20080001

SOURCE DESCRIPTION:

AMAK BRAKE LLC consists of three manufacturing departments. These departments are the Friction Department, Caliper Department and the Aftermarket Friction Department. The Friction Department and the Aftermarket Friction Department produces asbestos free brake pads and the Caliper Department assembles brake calipers. With this revision 2 AMAK BRAKE LLC has expanded its operations in Glasgow, KY in order to accommodate the transfer of equipment associated with a sister plant located in Springfield, KY, Permit F-06-027, at the Glasgow facility.

PUBLIC AND U.S. EPA REVIEW:

On May 16, 2008, the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in *Glasgow Daily Times* in Glasgow, Kentucky. In addition, notification of the issuance of the draft permit was sent to the U.S. EPA on May 29, 2008 via e-mail. The public comment period expired 30 days from the date of publication. No comments were received during this period. The permit is now being issued final.
